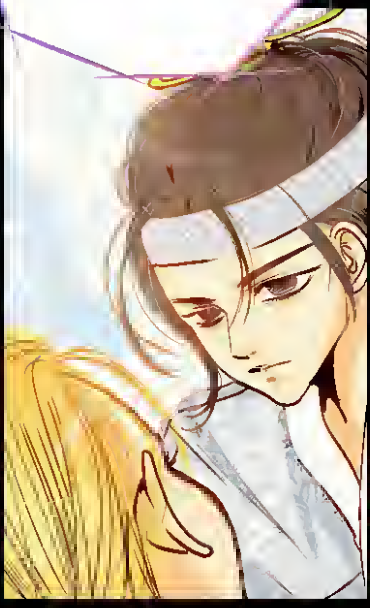
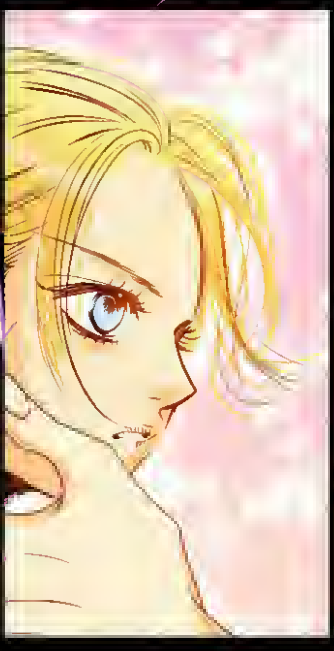
I want to
gaze into your eyes,
under the sun.

Not just inside this dark room.



A bright place bathed in light.



I want to see you clearly.

He spoke like that but...
I don't know the reason, but after 5 months, he was forbidden to enter the palace anymore.
Too much time passed and I was unable to see him at all.

Tired of what was happening, I became sick all the time.

One day...
BANG
SOOK YI SHOULD ANSWER THE ORDER OF THE KING!

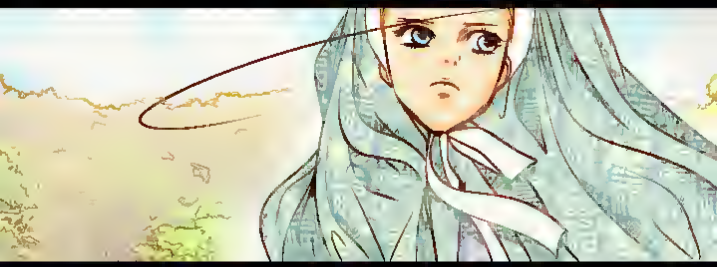
The shamans who were pushed away from Sook Yi reported to the King, and the guards marched to Sook Yi's palace.

What... what should we do?!
I'm scared...
My servants will get you into a carriage and transport you to the outskirts of Han Yang. After that you must somehow manage on your own.
Only I... am running away?
If you run away safely, we can all live without fear.

I escaped from the palace with Saak Yi's help, and reached the outskirts of Han Yang.

After that, I only had myself to depend on.

I had to avoid the places with lots of people, it was hard to move fast.



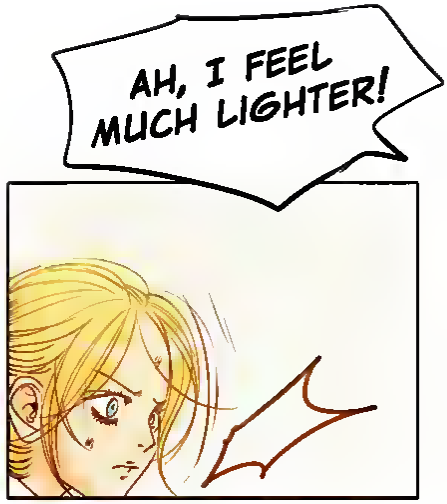
...I entered the mountains.

I drived the beasts away with magic and spent same days with the faad I braught fram the palace.

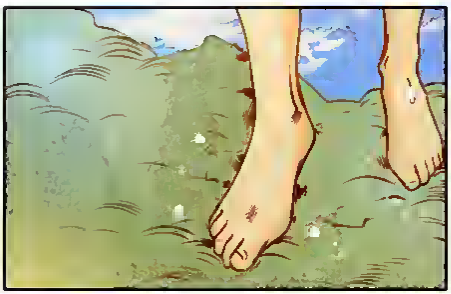
I could hear death appraaching me, but I tried ta ignare him as the best as I cauld.

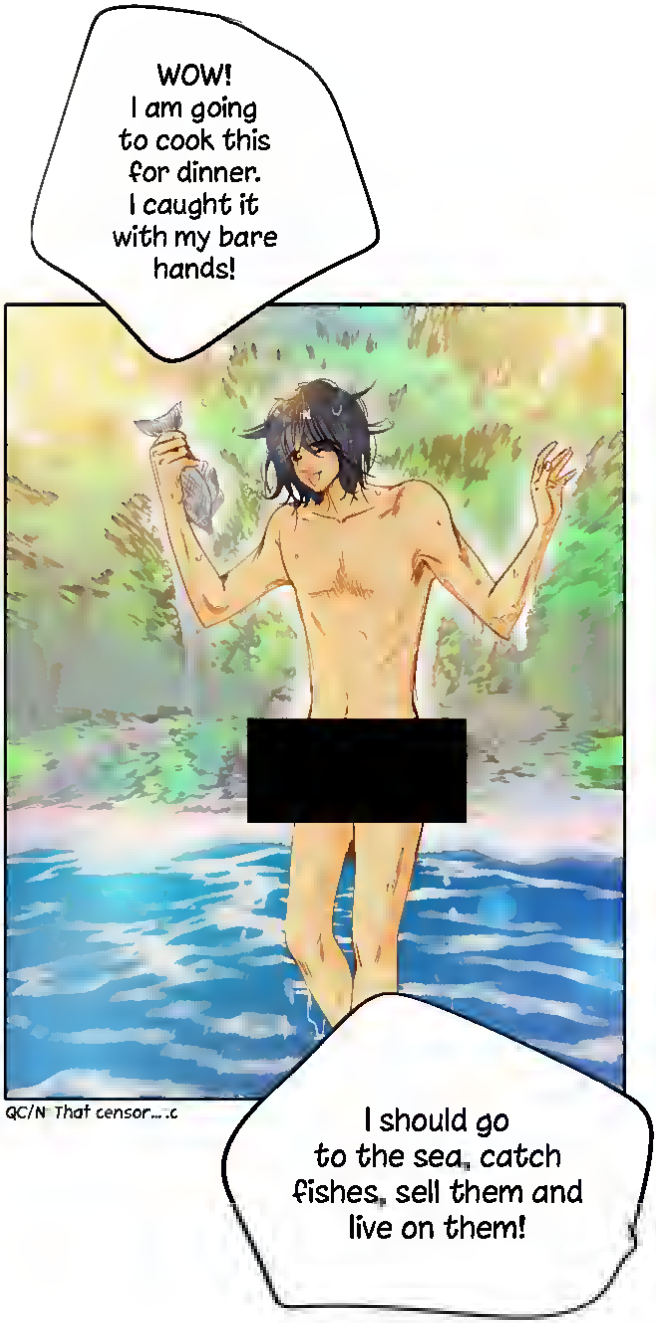
There was *a reason* for which I had to survive

But...

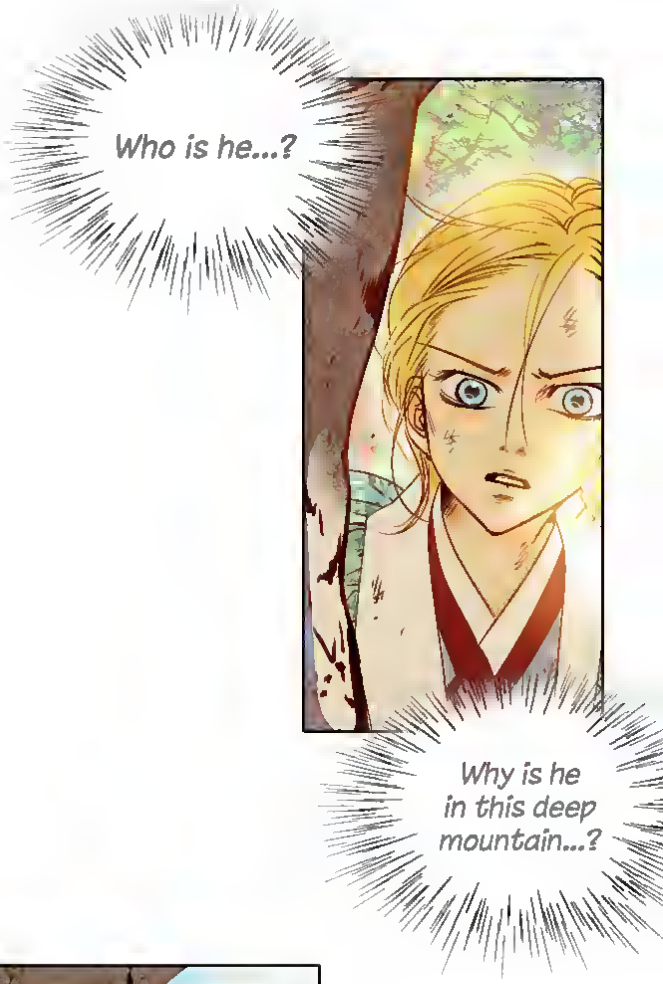


AH, I FEEL MUCH LIGHTER!

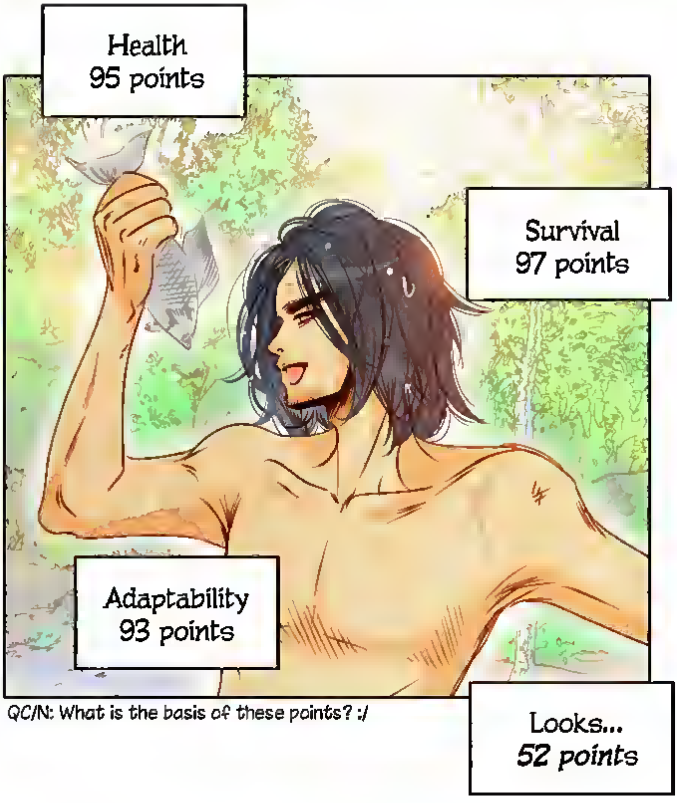




WOW!
I am going to cook this for dinner.
I caught it with my bare hands!
QC/N: That censor...c
I should go to the sea, catch fishes, sell them and live on them!



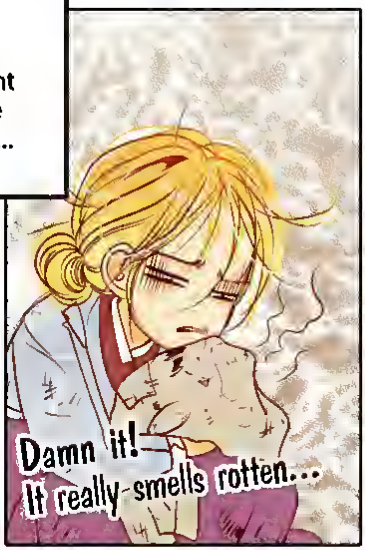
had the instinct to recognize what she needs for survival.

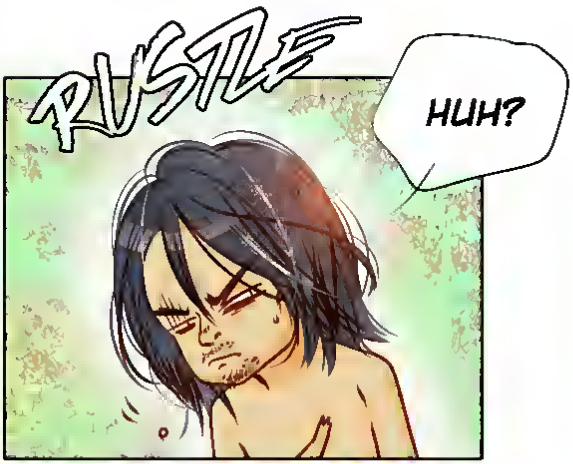


QC/N: What is the basis of these points? :/

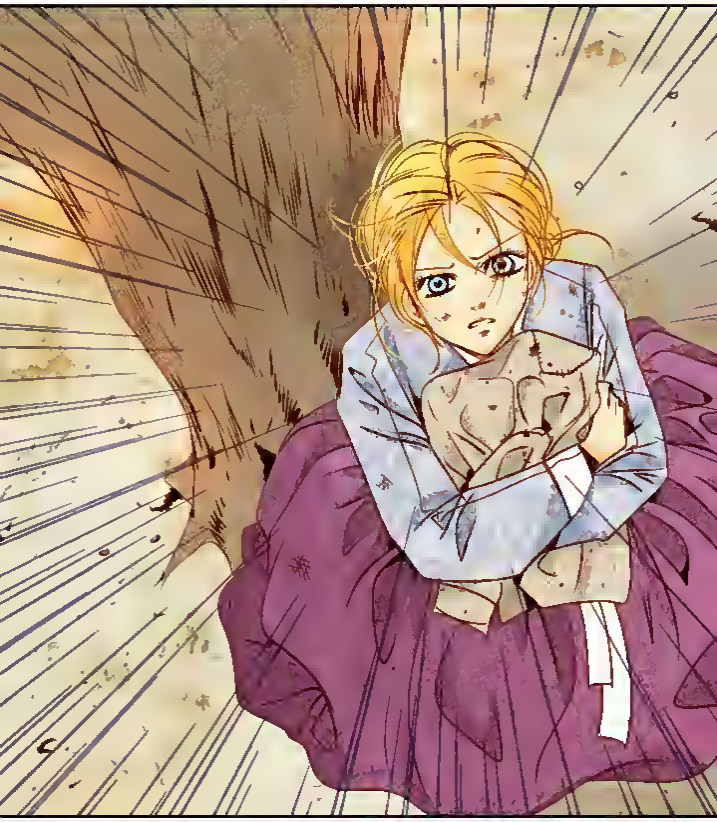
Yes, it's that MAN!
With that man...
Huh? Where are my clothes? I clearly put them here...
I HAVE ONLY TWO PAIRS OF CLOTHING. T_T DID THE MOUNTAIN ANIMALS DRAG IT AWAY?
panic

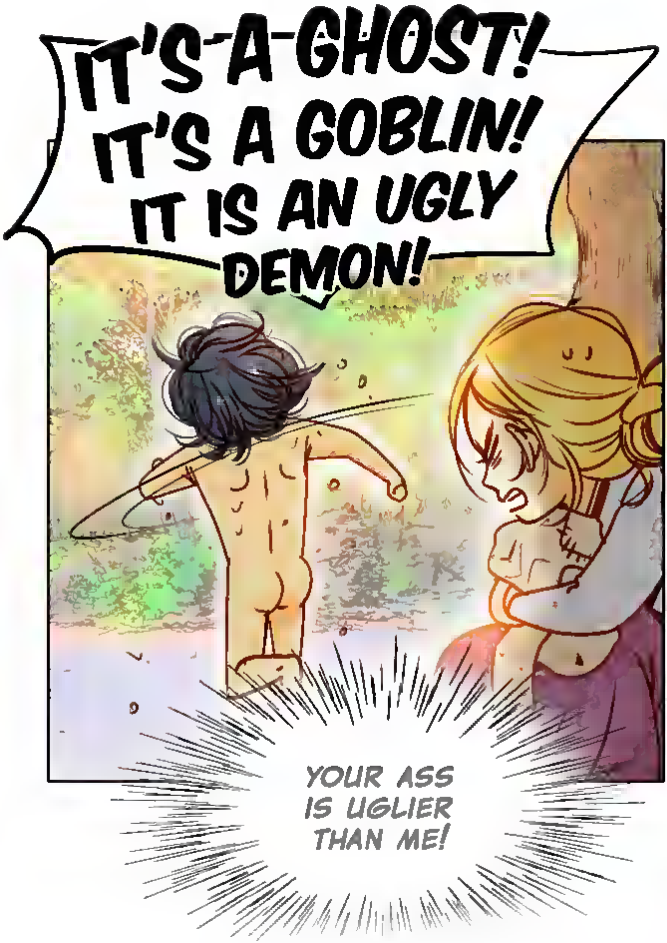
Of course before I con survive, I might hove died from the smell of his clothes...





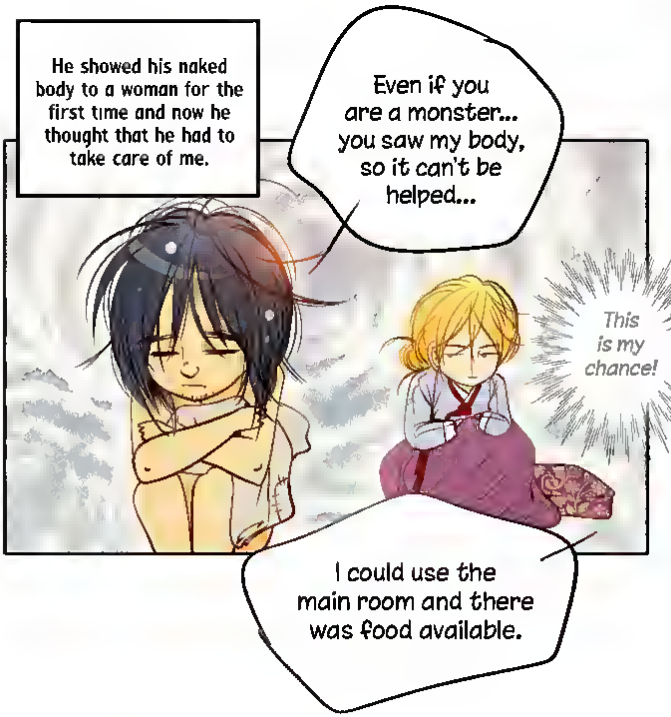
What is it, over there?
!
!
...?





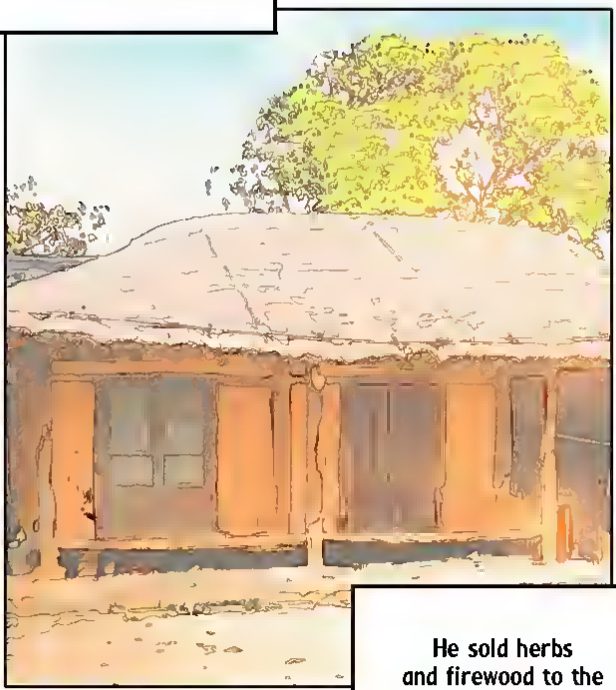
IT'S A GHOST!
IT'S A GOBLIN!
IT IS AN UGLY DEMON!
YOUR ASS IS UGLIER THAN ME!

He was very innocent and...



He showed his naked body to a woman for the first time and now he thought that he had to take care of me.
Even if you are a monster... you saw my body, so it can't be helped...
This is my chance!
I could use the main room and there was food available.

I couldn't find out why, but he was hiding in this mountain for some reason.



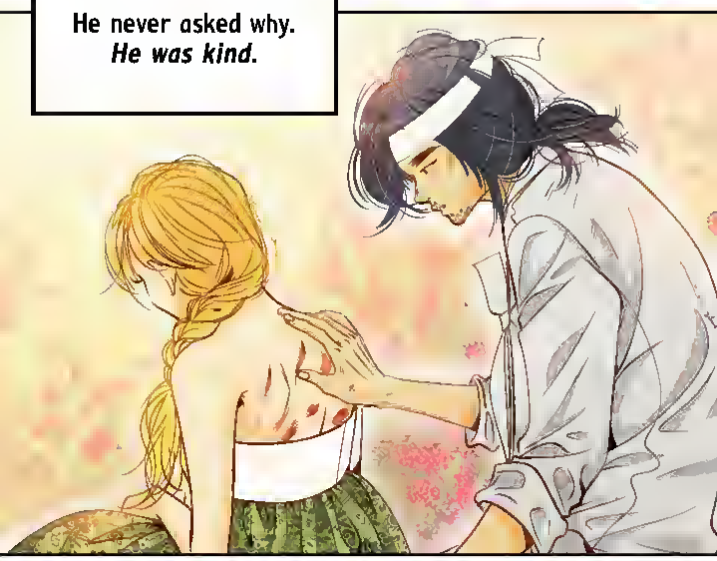
He sold herbs and firewood to the village and bought food and clothings.

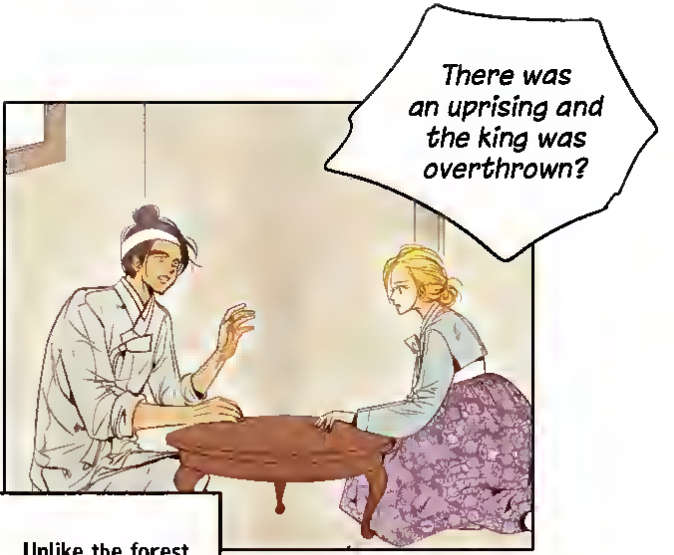
He was a good and warm man.

When he first embraced me...

He saw my terrible waunds which happened while I was tartured in England

He never asked why.
He was kind.

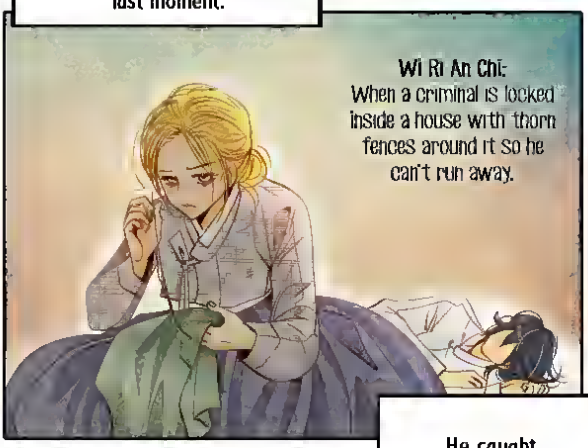




Unlike the forest, the outside world was noisy.

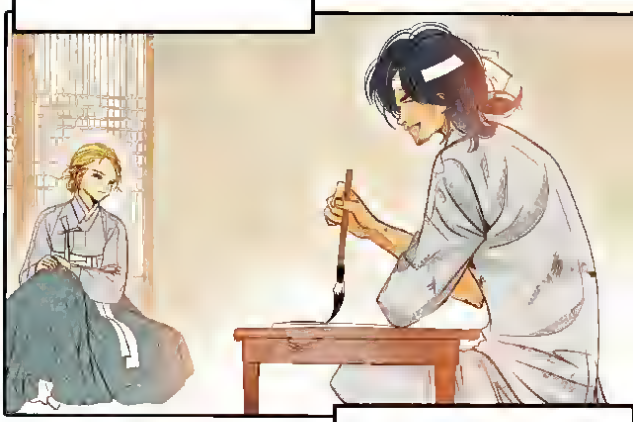
When the king changed, Sook Yi became a normal woman and was kicked out of palace.

The youngest prince was subject to Wi Ri An Chi because he was loyal to the king until the last moment.



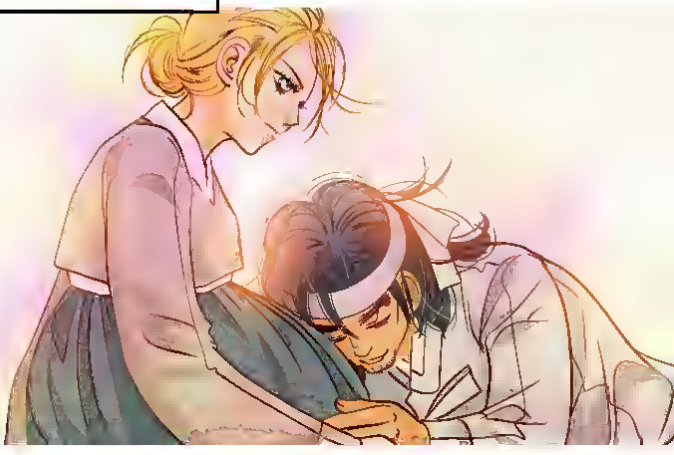
He caught pneumanio in the ploce where he wos imprisoned ond lost his life.

I was now closed off from the outside world more than ever.

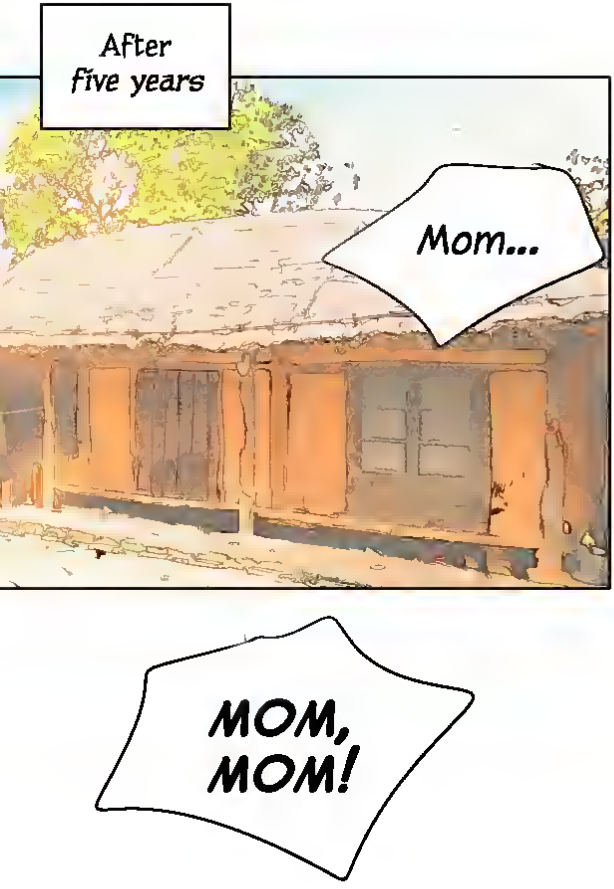


I was going to be isolated from the outside world waiting for time to step on us and pass us by.

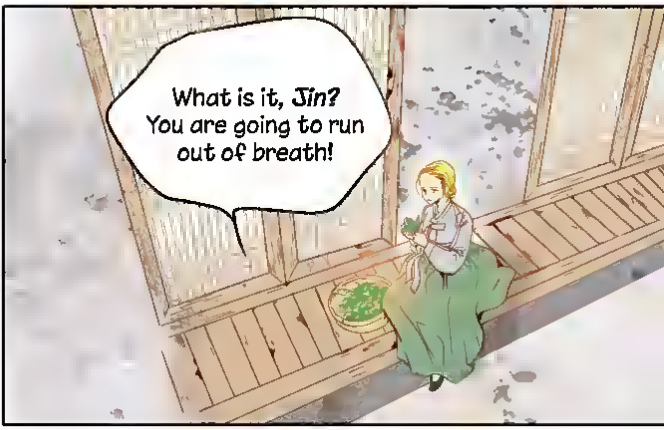
I could now live on my own.



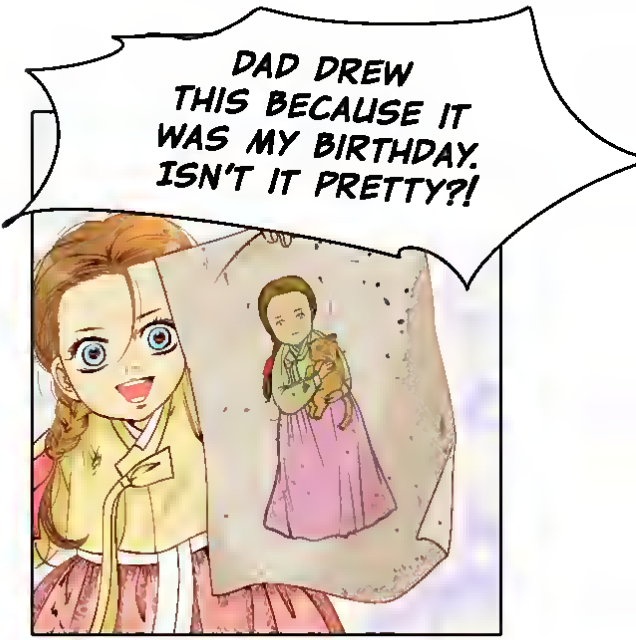
But this man chose to live with me, locked in here even if he didn't have to...



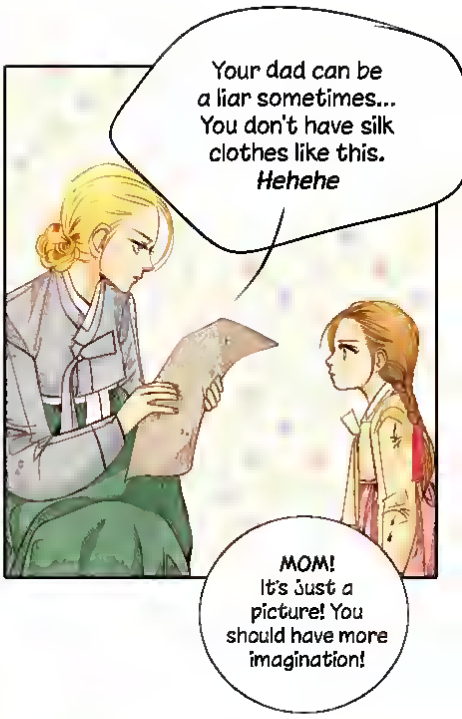
After
five years
Mom...
MOM,
MOM!



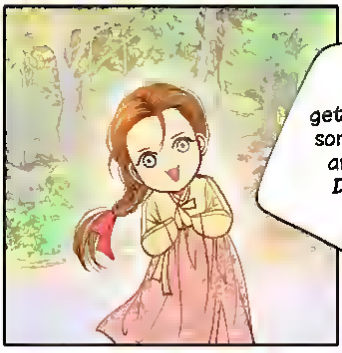
What is it, Jin?
You are going to run out of breath!



DAD DREW THIS BECAUSE IT WAS MY BIRTHDAY. ISN'T IT PRETTY?!



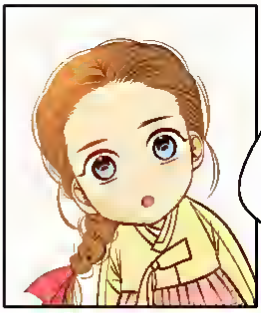
Your dad can be a liar sometimes... You don't have silk clothes like this. Hehehe
MOM! It's just a picture! You should have more imagination!



I am going to get married, have a son, teach him art and send him to *Do Hwa Sea* to work there!

#Do Hwa Seo:
The department in the palace where the work of drawing pictures took place.

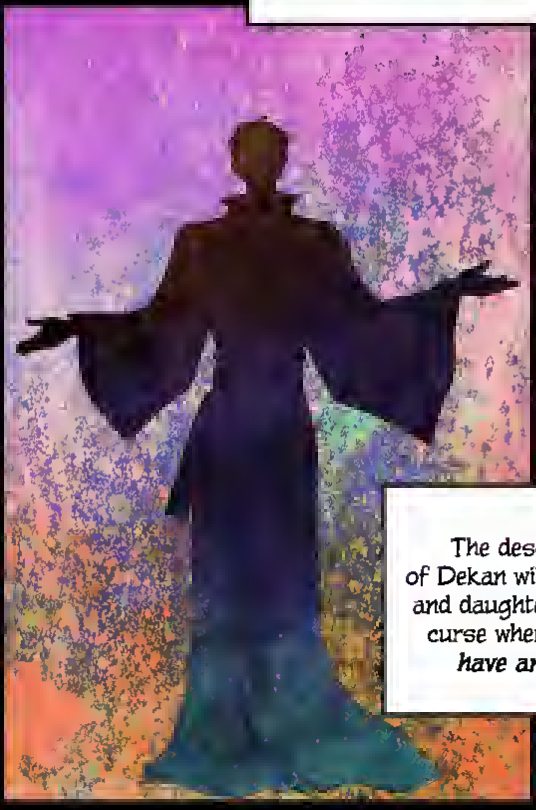
It's sad, but you wouldn't have a son.



HUH? Why not?

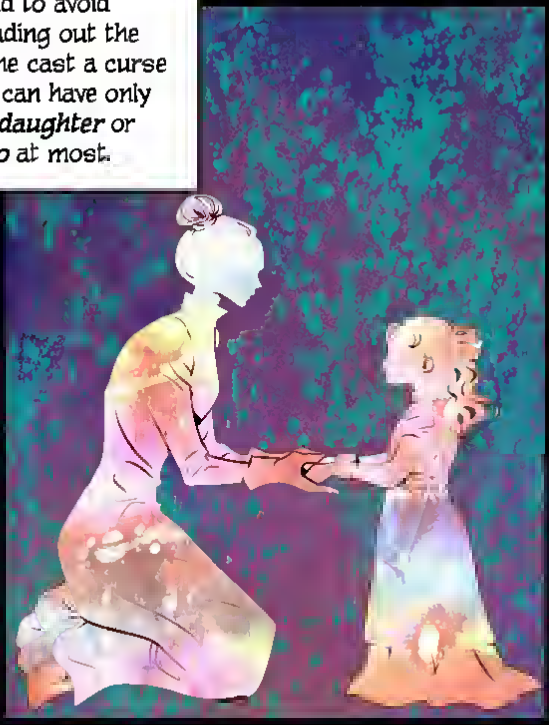
Did I tell you about our ancestor Aurel Dekan?
Yeah, that strange name...

He tried to stop our blood from thinning out and cast a curse upon himself.



The descendants of Dekan will be mothers and daughters. So it's a curse where ***we can't have any sons.***

And to avoid spreading out the power, he cast a curse so we can have only ***one daughter*** or ***two*** at most.



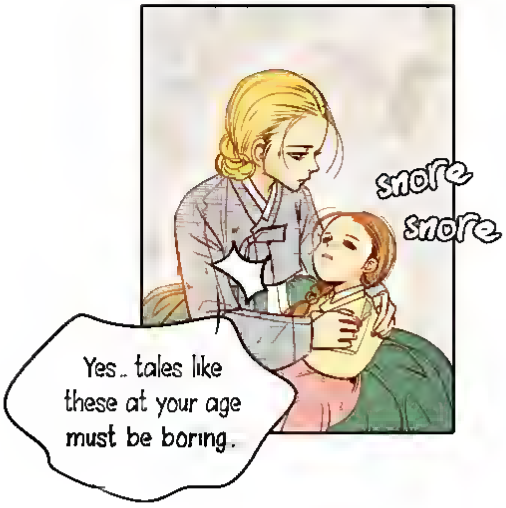
And like that, we have survived by being a mother and a daughter and passed on the name of Dekan and the book for hundreds of years.

We have a destiny where we are tied to the book of dekon.

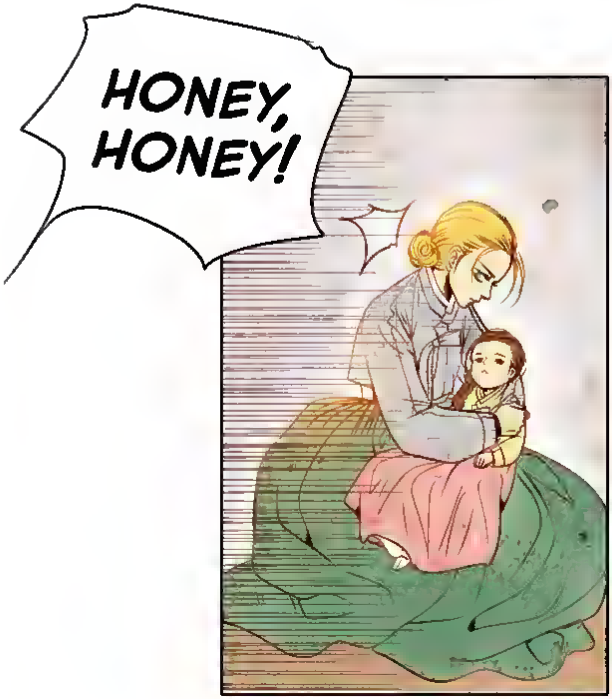
If our blood disappears, that book will disappear, too.

If that book disappears, we will disappear as well.

We have to protect it, no matter what...



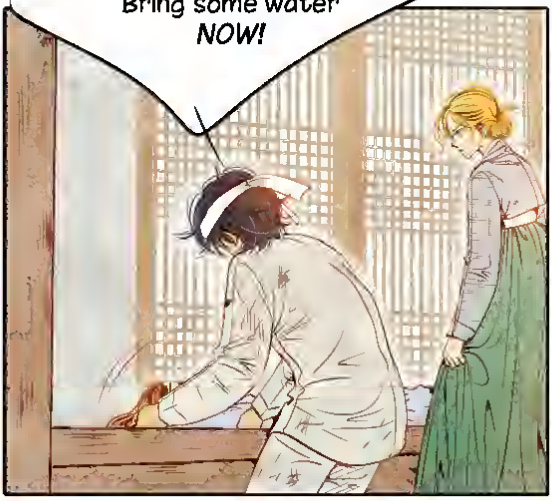
snore
snore
Yes.. tales like these at your age must be boring.



HONEY, HONEY!

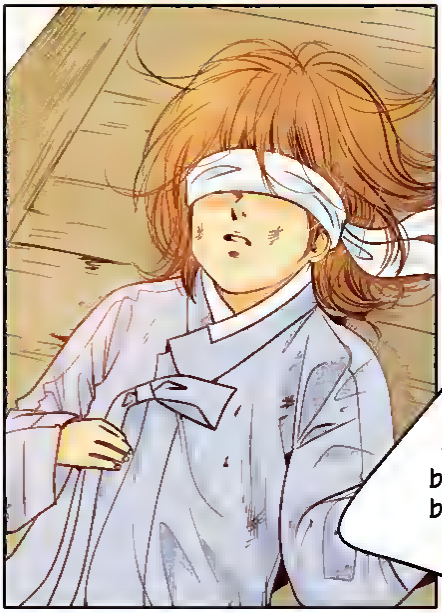
Oh, who is that child...?
LET'S LAY HIM ON THE FLOOR FIRST!

He was lying alone in the mountain road, unconscious. I think he is dehydrated. Bring some water *NOW!*

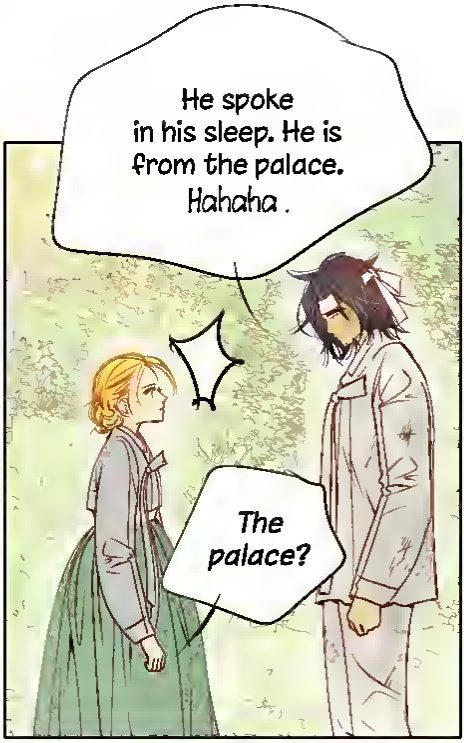


Did somebody abandon him in the mountains? Or did he get lost?

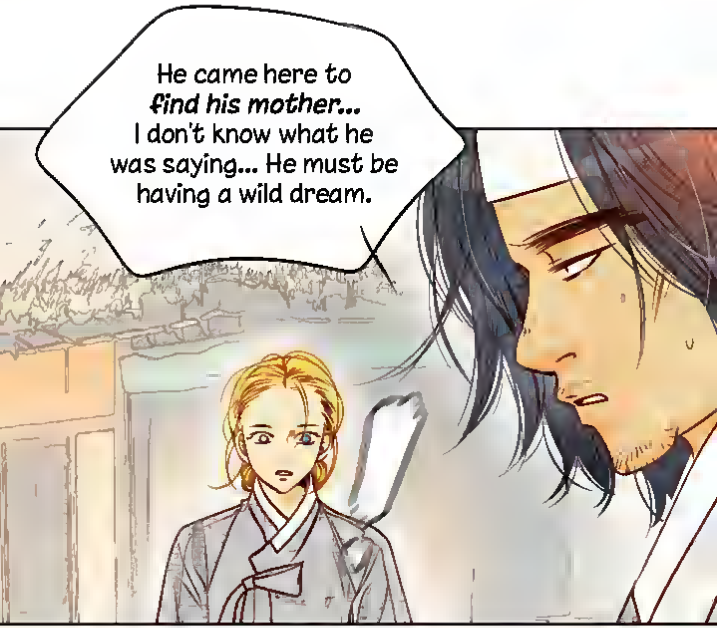
Why is there a child alone in these deep woods...?



He looks like he is blind. He could have been abandoned by his parents...

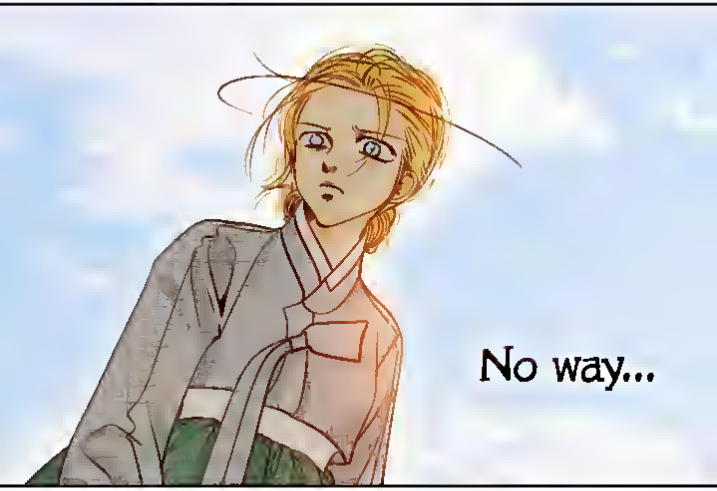


He spoke in his sleep. He is from the palace. Hahaha .
The palace?

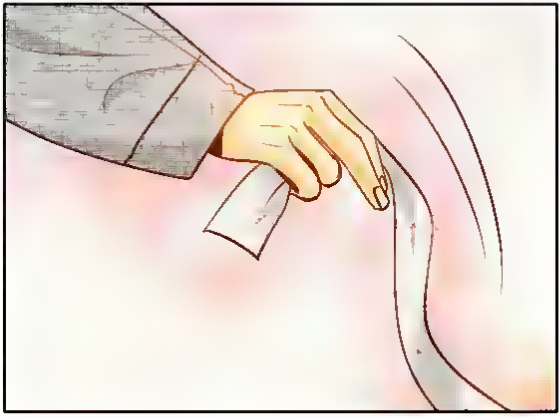


He came here to
find his mother...
I don't know what he
was saying... He must be
having a wild dream.

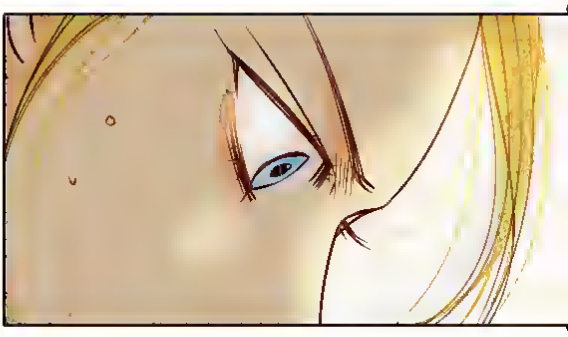
No...



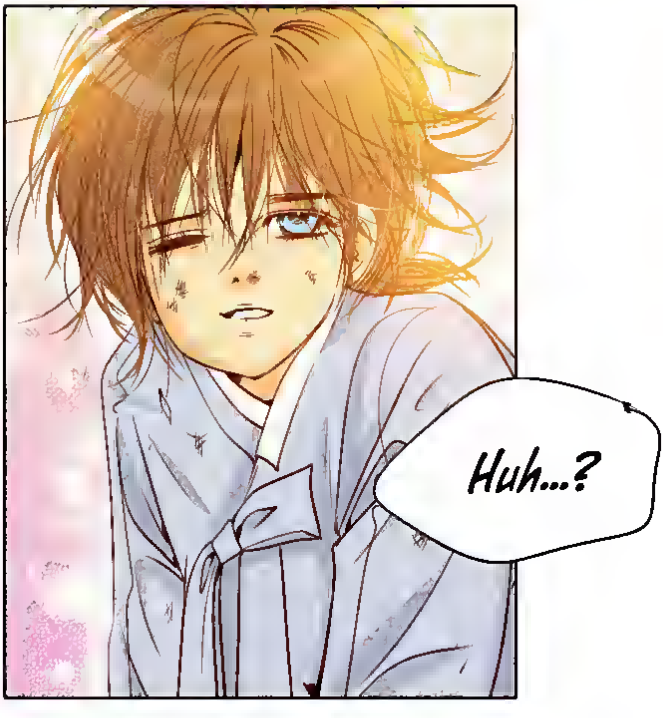
It can't be...

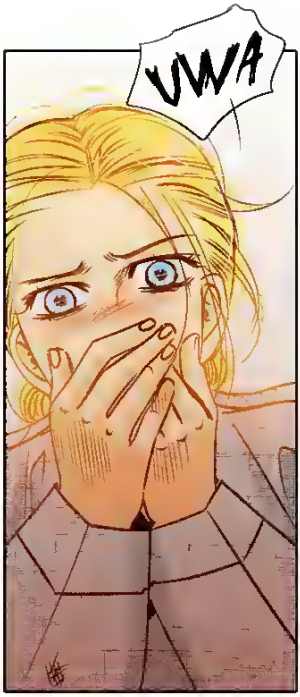


I heard that he died...



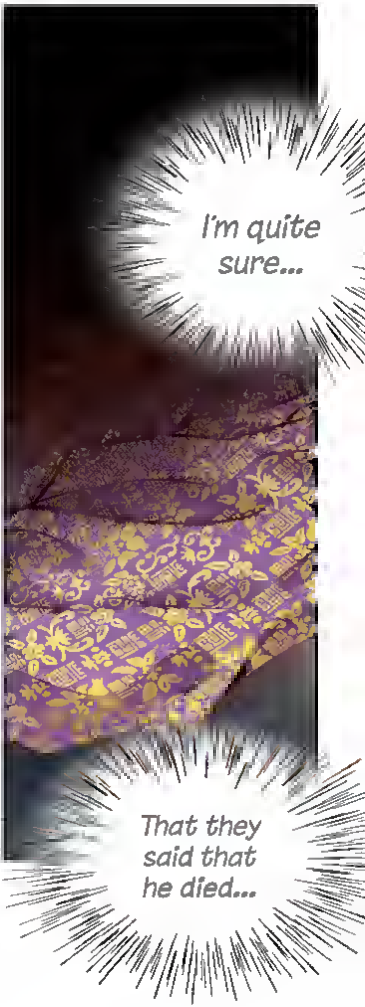
He died...



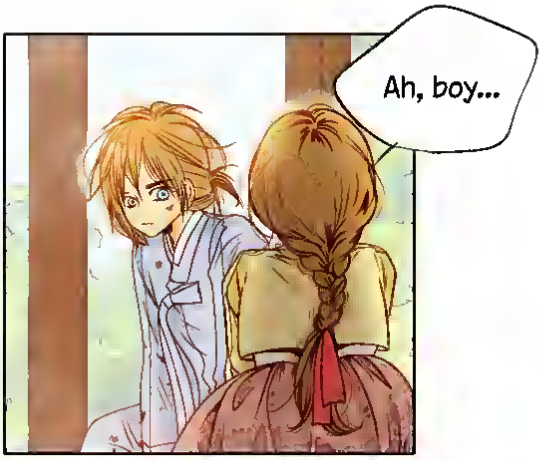


UWA

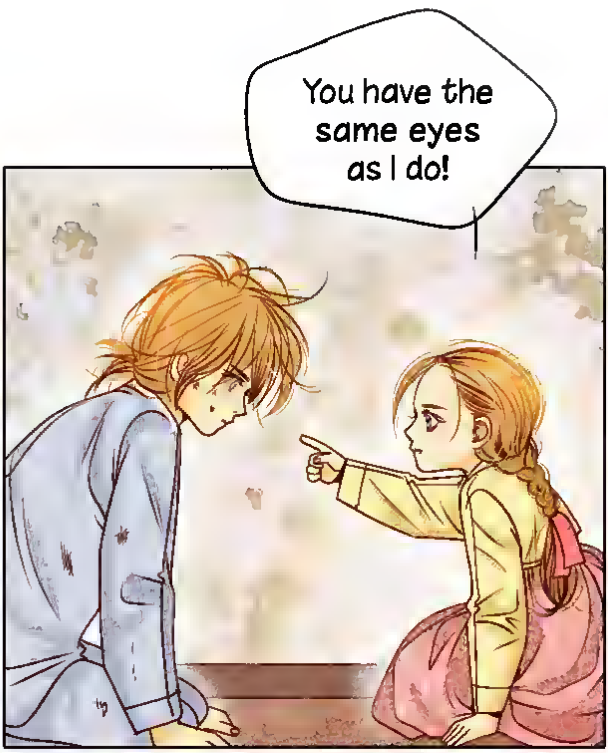
The child died as soon as he was born...
We buried him in a good place because he is from a royal line, so don't worry too much...



I'm quite sure...
That they said that he died...

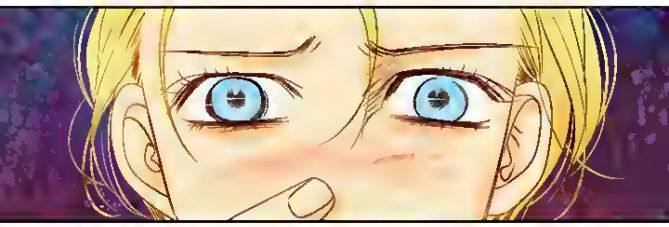


Ah, boy...

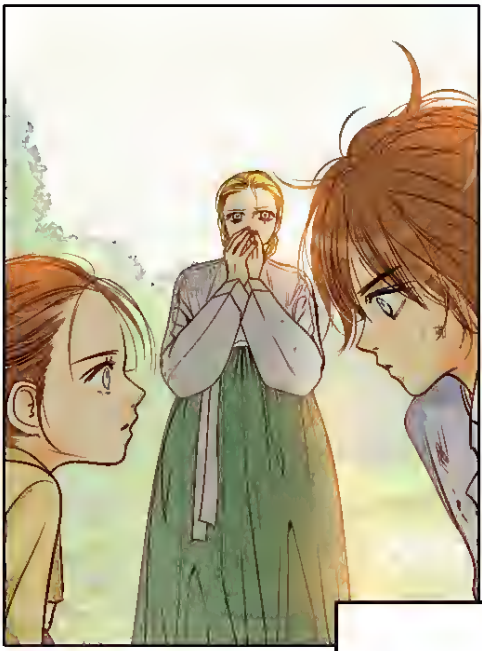


You have the same eyes as I do!

And why is he a son...?
Why...?

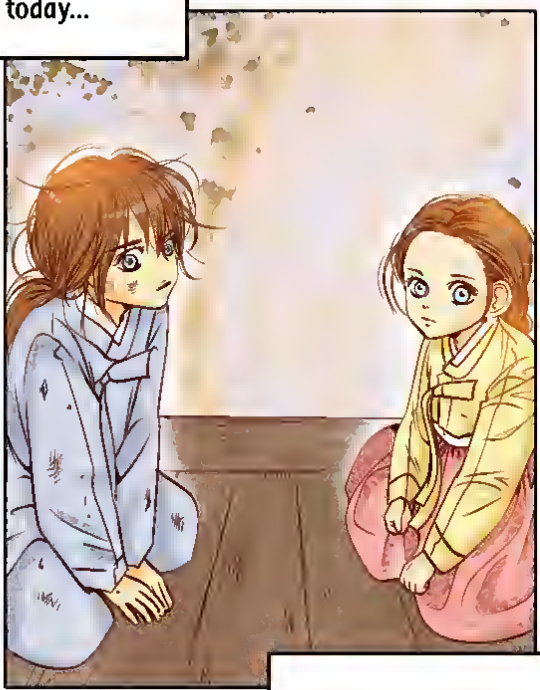


When I looked at them looking at each other,



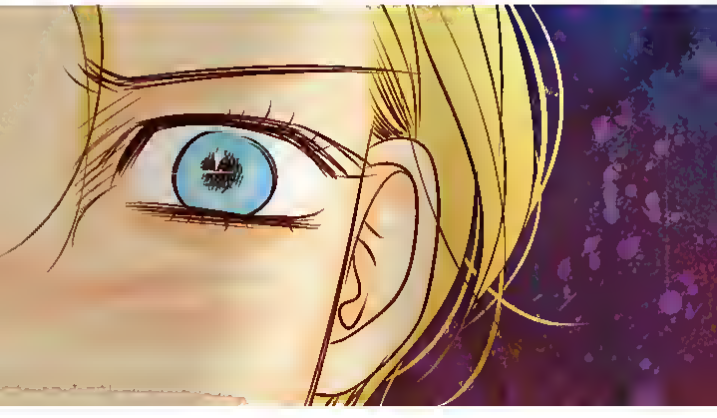
I saw a strange sight inside my head.

This meeting which was unexpected today...



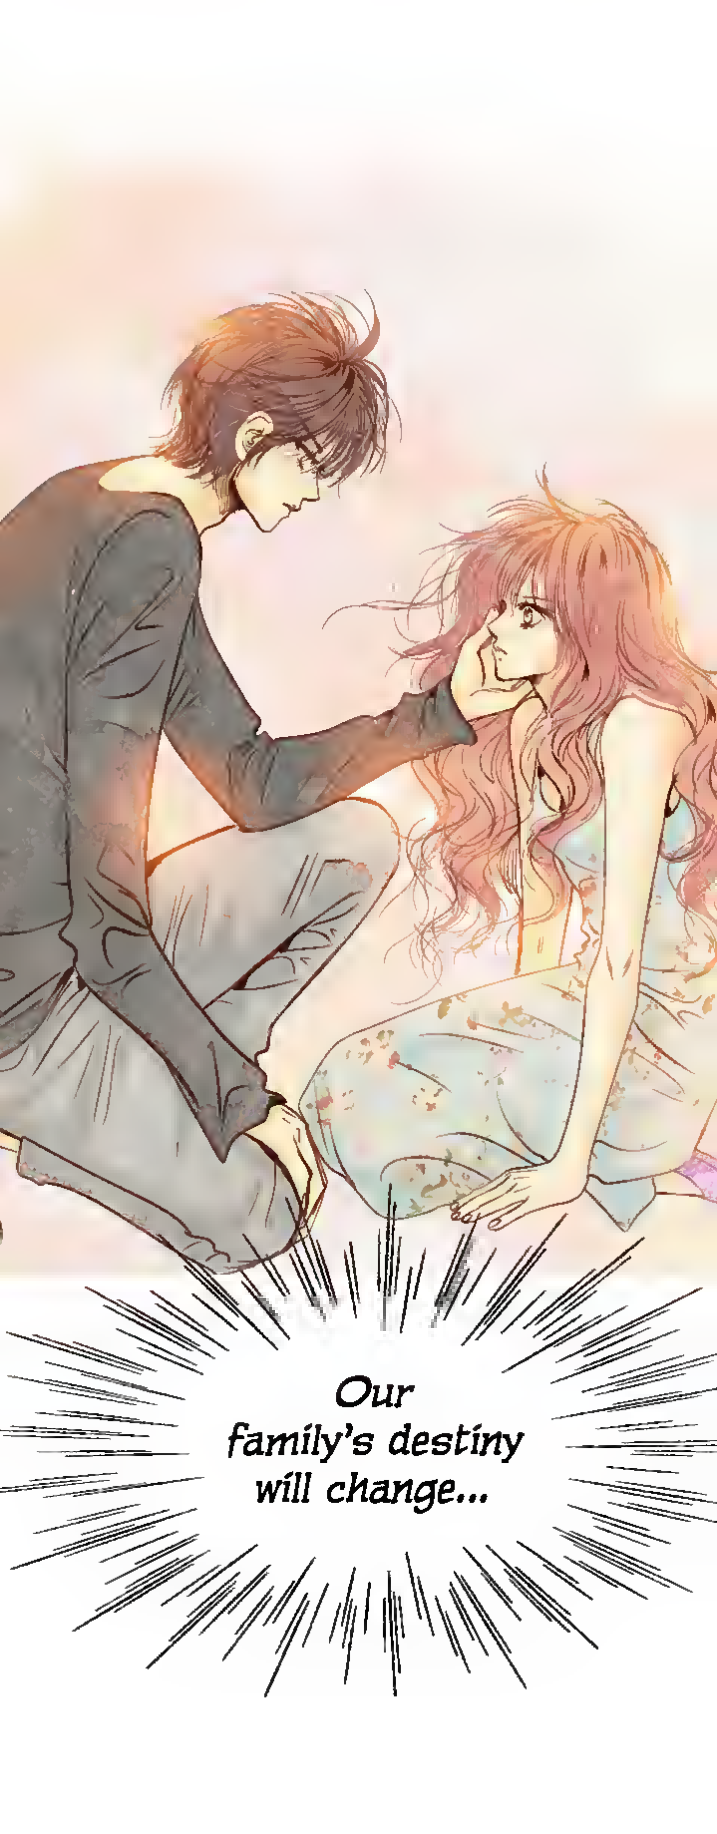
Is it o *premonition* of whot is going to hoppen in the for future?

At that moment, I saw it...!



In the distant future...

By the two people
who inherit their blood,



Our
family's destiny
will change...
